Audited Financial Statements of Group Development
Pakistan For The Year Ended June 30, 2019
Independent Auditor's Report to the Management Committee

Opinion
We have audited the financial statements of Group Development - Pakistan, which comprise of the statement of financial position as at June 30, 2019, statement of income and expenditure, statement of changes in funds and statement of cash flows for the year then ended, along with notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects the financial position of Group Development - Pakistan as at June 30, 2019, and of its financial performance, and changes in fund and its cash flows for the year then ended in accordance with approved accounting and reporting standards as applicable in Pakistan.

Basis for Opinion
We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our audit report. We are independent of the Entity in accordance with the International Ethic Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan, and we have fulfilled our other ethical responsibilities in accordance with the code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements
The management is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal controls as the management determines is necessary to enable the preparation of the financial statements that is free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statement
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statement.
As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

These financial statements are presented in Pakistan Rupee which is the Company's functional currency. Amounts presented in the financial statements have been rounded off to the nearest of Rupee, unless otherwise stated.

2.4 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS  
The preparation of financial statements in conformity with the Revised Accounting and Financial Reporting Standards for Small-Sized Entities and Accounting Standards for Not For Profit organization issued by the Institute of the Chartered Accountants of Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenditures. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under circumstances, the result of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from the estimates and underlying assumptions are reviewed on ongoing basis. Revision to accounting estimates are recognized in the period in which the estimates are revised. Significant areas requiring the use of management estimates in these financial statements relate to the useful life of depreciable assets.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Society and the cost of the item can be measured reliably. All other repair and maintenance costs are charged to statement of income and expenditure during the year in which they are incurred. Depreciation on operating fixed assets is charged to statement of income and expenditure applying the reducing balance method so as to write off the cost / depreciable amount of the assets over their estimated useful lives at the rates given in Note 4.
Depreciation on additions to operating fixed assets is charged from the month in which an item is put to use while no depreciation is charged for the month in which the item is derecognized / disposed off. The residual values and useful lives of assets are reviewed by the management at each financial year end and adjusted if impact on depreciation is significant. An item of operating fixed assets is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the statement of income and expenditure in the year the asset is de-recognized.
